

Diamond Package

This package not only captures the essence of your day and assembles the finest moments of your day into a timeless custom tailored keepsake; but, it also includes a production that tells the story of you and your fiancé. This package includes the “Story of Us” production in addition to the “A Day to Remember” production included in the platinum package. This production is a great opportunity to reflect upon the individual lives’ of the bride and groom and celebrate the journey they are embarking upon together as one entity with your guests and with each other years from now.

|------------------------------|--|
| Planning Sessions | <p>We will meet with you to discuss and design your wedding production. Sessions will include:</p> <ul style="list-style-type: none">▪ Discussion of the facilities and tentative schedule of the day.▪ Discussion of song selections.▪ Setting up times to capture interview footage and exchange photo and home video material. *** The exchange of the photos, video, and interviews will need to take place several months in advance since the material must be incorporated for the reception production.▪ Communication with the reception hall director to coordinate set up time and details for the production is needed. |
| Rehearsal Attendance | <p>We will attend the rehearsal to preview the ceremony facilities and get familiar with the proceedings of the ceremony. In addition, we will determine and discuss any shooting restrictions that may exist with the facility and/or other wedding vendors such as the photographer.</p> |
| Pre-Ceremony Coverage | <p>We will cover the pre-ceremony events such as the bride and groom getting ready, going to the church, etc.</p> <ul style="list-style-type: none">▪ 2-manned cameras (one with the bride, one with the groom)▪ Pre-ceremony coverage |
