

Platinum Package

This package captures every moment on video that you have spent time dreaming and meticulously preparing for; moments before the ceremony as you get ready, during the ceremony, and during the reception. After we have captured these moments, we will create a customized movie highlighting all the moments of the day, which is exclusively about you and the events of your day, choreographed to music selections of your choice with cinematic transitions and effects.

Planning Sessions	We will meet with you to discuss and design your wedding production. Sessions will include: <ul style="list-style-type: none">▪ Discussion of the facilities and tentative schedule of the day.▪ Discussion of song selections.
Rehearsal Attendance	We will attend the rehearsal to preview the ceremony facilities and get familiar with the proceedings of the ceremony. In addition, we will determine and discuss any shooting restrictions that may exist with the facility and/or other wedding vendors such as the photographer.
Artistic Shots	We will capture a variety of artistic shots of the facility and decorative details as well as, artistic shots while the bride and groom are getting ready and candid shots during pictures.
Pre-Ceremony Coverage	We will cover the pre-ceremony events such as the bride and groom getting ready, going to the church, etc. <ul style="list-style-type: none">▪ 2-manned cameras (one with the bride, one with the groom)▪ Pre-ceremony coverage
